

General Environmental Sustainability Policy

Background:

PassRite Driving Academy Limited is a leading Private Training Establishment offering (primarily) driver licensing, endorsements, and transport-related courses.

PassRite Driving Academy Limited is committed to implementing and maintaining a high level of environment management across all areas of our operations.

Our aim is to ensure:

- ✓ Protection of the environment for current and future generations
- ✓ The continual improvement of our environmental performance and management.

PassRite Driving Academy Limited endeavours to:

- ✓ Comply with all applicable legal and client requirements (as a minimum).
- ✓ Ensure the prevention of pollution on our operational sites for which we carry responsibility.
- ✓ Utilise suppliers that offer products which are sustainable, recyclable or environmentally friendly.
- ✓ Promote good environmental practices amongst our workers and suppliers.

PassRite Driving Academy Limited is committed to a hierarchy of waste management which includes the following steps:

- ✓ **Avoid** - choose a process to avoid the waste
- ✓ **Reduce** - review the process to reduce the waste
- ✓ **Reuse** - reuse as much as possible to minimise the waste
- ✓ **Recycle** - where possible
- ✓ **Disposal** - responsible disposal using appropriate methods

This Environmental Policy has the full support of PassRite Driving Academy Limited Management who will ensure that adequate resources are made available to achieve the Policy objectives and that roles and responsibilities are clearly defined.
