

CLASS 4 COURSE INFORMATION SHEET

Class 4 Heavy Vehicle Licence – Trucks more than 18,000kg

The Class 4 Licence covers Heavy Rigid Vehicle with a Gross Laden Weight of more than 18,000kg.

To attend one of our Class 4 courses you **MUST** hold a Class 4 Learner Licence.

You are able to upgrade your Class 2 Full Licence to a Class 4 Learner Licence at any licensing agent (with no theory test required) after you have held your Class 2 Full Licence for the following length of time:

UNDER 25 years of age: you must have held your Class 2 Full Licence for at least 6 months

OVER 25 years of age: you must have held your Class 2 Full Licence for at least 3 months

Because PassRite Driving Academy Ltd has the necessary NZQA and NZ Transport Agency approvals, completing any of our training programmes means you are able to **bypass any waiting period on the Learners Licence** and gain your full licence immediately upon successful completion of our training programme.

Upon successful completion of your training programme you will be issued with a NZ Transport Agency certificate, which you can take to any NZ Transport Agency approved Driver Licensing Agency (AA or VTNZ) to have your Licence upgraded to a Full Class 2 Licence with no other tests required.
