

## HEAVY VEHICLE CLASS 5 COURSE INFORMATION SHEET

### Class 5 Heavy Trailer Licence – Combination Vehicle with Gross Combined Weight of more than 25,000kg

The Class 5 Licence covers Heavy Combination Vehicles with a Gross Combined Weight of more than 25,000kg.

You must have held a Class 4 Full Licence for at least six months before you can apply for a Class 5 Learner Licence.

To attend one of our Class 5 courses you **MUST** hold a Class 5 Learner Licence.

Because PassRite Driving Academy Ltd has the necessary NZQA and NZ Transport Agency approvals, completing any of our training programmes means you are able to **bypass any waiting period on the Learners Licence** and gain your full licence immediately upon successful completion of our training programme.

Upon successful completion of your training programme you will be issued with a NZ Transport Agency certificate, which you can take to any NZ Transport Agency approved Driver Licensing Agency (AA or VTNZ) to have your Licence upgraded to a Full Class 5 Licence with no other tests required.
