Summary Report

2022

Summative assessment: Student feedback 2022

509 students in total consisting of students across all courses, took the time to share their voice through the participation in our post-course student evaluation surveys during 2022.

The results collated from the surveys that were conducted throughout 2022:

Purpose for enrolment:

49.70% of students surveyed completed the courses due to being a work requirement.

31.83% of students enrolled to requalify (renew) or to gain the licence.

6.87% of students enrolled on to the course to gain knowledge or to upskill.

11.60% of participants did not disclose their reason.

Student Learning Experience: Theoretical Instruction

83.88% of students rated their classroom experiences as exceptional, 13.04% as very good, 2% as good, 0.27% as acceptable, and 0.78% did not rate their classroom experiences at all.

Student Learning Experience: Practical Instruction

61.88% of surveyed students who completed practical training rated their practical training experience as excellent, 6.83% rated the experience as Very good, 1.17% rated the experience as a good experience, 0.35% rated their experience as acceptable, whilst 0.03% felt they had a poor experience and 29.70% surveyed did not complete practical training as part of their course.

Student Learning Experience: Assessment

91% of student found they had sufficient information and training prior to sitting their assessments. This sector of students found the assessment process to be fair, open easy to comprehend and agreed with the outcome of their assessment.

9% of students did not rate their overall experience with PassRite.

Student Learning Experience: Quality of training

79.37% rated the quality of training as excellent, 10.80% rated the quality of training as very good, 1.17% rated the quality of training to be good whilst 8.64% did not provide a rating.

Overall Learning Experience:

78.58% rated their overall experience at PassRite as excellent, 11.19% had a very good overall experience with PassRite, 1.37% advised they had a good overall experience whilst 8.84% did not rate their overall experience and 0% of students had a poor overall learning experience.

Learner Recommendation:

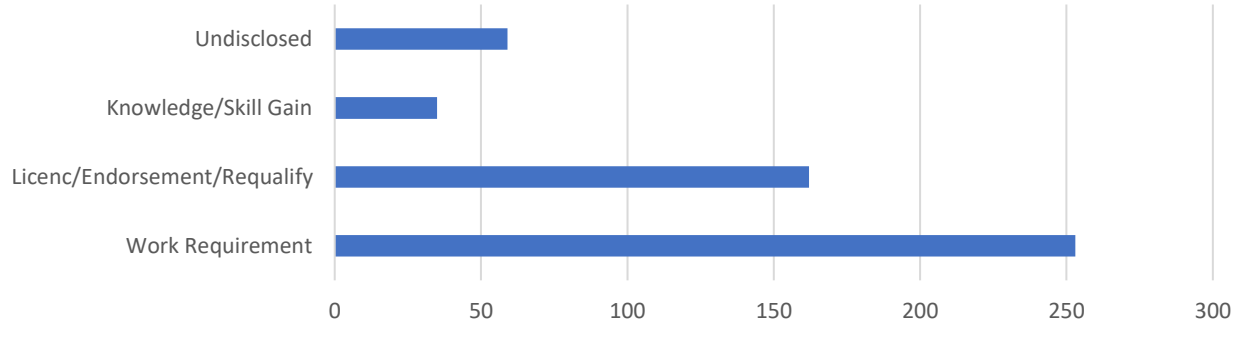

82.51% of students advised they are very likely to recommend PassRite as a training provider to their colleagues and friends, 7.26% advised they are likely to recommend PassRite, 0.39% were unsure of whether they would recommend PassRite, 0.58% of students advised they are unlikely to recommend PassRite whilst 9.23% did not disclose whether they would recommend PassRite.

Overview:

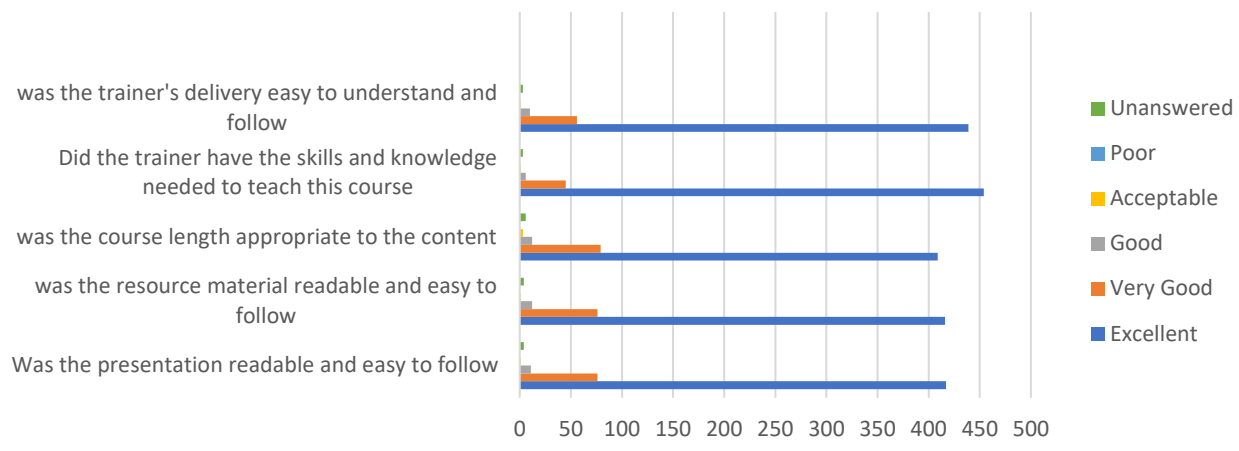

Highly rated student experiences demonstrate:

1. Student satisfaction is achieved.
2. Quality training and assessment is achieved.
3. Learning environments are inclusive and engaging leading to positive outcomes.
4. Students are equipped with the knowledge and skills required to undergo assessment.
